

**FirstCare ERS 2010
Abilene Region
Table of Contents**

You should ask about the contract status of the providers from who you receive treatment, especially when you are referred by your PCP to a specialty care physician and when you receive services at a participating hospital, as some facility-based physicians or other health care practitioners such as anesthesiologists, pathologists, and radiologists may not be included in FirstCare's network and may balance bill you for amounts not paid by FirstCare.

Primary Care Physicians	2
Specialty Care Physicians	8
Other Professional Providers	13
Ancillary Providers	16
Hospitals	17
Pharmacy Services	19
Index	22

Choosing a PCP: your Primary Care Physician will be the one you call when you need medical advice, when you are sick and when you need preventive care such as immunizations or physicals. Each member may select his or her own PCP from the FirstCare Provider Directory. A PCP is defined as a family or general practitioner, internist or pediatrician.
