ANSI X12N 276 Health Care Claim Status Request**

The Health Insurance Portability and Accountability Act of 1996 is the acronym for HIPAA. HIPAA legislation requires that Health Plans, Providers and Clearinghouses follow set transaction standards. The implementation guide for the ANSI ASC X12N 276 Claim Status transactions can be found at www.wpc-edi.com.

This document provides specific data requirements for ANSI 276 Health Care Claim Status Request processing for FIRSTCARE.
