

FirstCare's New Specialty Pharmacy Provider on July 1, 2014

Wednesday, June 25, 2014

FirstCare Health Plans is committed to providing our members with access to quality, cost-effective specialty prescription drugs. As such, we are pleased to announce that effective July 1, 2014, ICORE Healthcare (ICORE), a Magellan Rx Management Company, will be the exclusive specialty pharmacy provider for FirstCare Health Plans Commercial Managed Care, Marketplace, and SHOP members.

For more general information on ICORE, visit their [website](#) for further details.
